**LOCAL BOYS MEET WITH DEFEAT****E. A. C. Lose Hard Game. Friday Night After Good Work.**

At 5. p. m., Friday night a bunch of boys from the Y. M. C. A. of Greenville, Ky., stepped off the Interurban with the determination of showing the Local Athletics just how to play basket ball.

Well did they follow out their determination, for 40 long minutes they played the Athletics for who should have the most points. The Athletics burning to avenge the licking administered them at Greenville, played good ball but was outweighed and at some stages of the game outplayed. They fought gamely to have the largest number of points but the big husky Y. M. C. A. boys put it over them 11 to 22. Ralph Dudley the E. A. C. crack guard played a magnificent game from beginning to end of first half when he was forced to retire because of an injury. Victory replaced him and played a nice game considering the weight of his opponent. Sharp and Featherston played swell ball but weight and height were against them. The Y. M. C. A. boys all played about equal displaying speed and good knowledge of the game.

One of the largest and most enthusiastic crowds ever known were present and loyally supported the locals. These teams play at Greenville in about a week and will put up another good game.

Lexington, Ky., Feb. 11.—Only scant attention was paid by the growers to the call for meetings today in fourteen of the largest burley tobacco-growing countries in this state. The failure of all of the fourteen countries to accede to the plan of the burley union to eliminate the 1911 crop, it is generally conceded, marks the end of the effort to "cut out" the crop.

Bradley Wilson, of Hopkins county, who is chairman of the Burley Association Campaign Committee, still declares the crop will be cut out.
